THE CARDWELL SHIRE GIRRINGUN

## Flame Tree

In 2007, the 2nd Annual National Indigenous Land and Sea Management Conference was held in Cardwell. The Flame Tree is a gift from the Giringun Aboriginal Corporation to the Australian community to remind us of Caring for Country.

This project would not have been possible without the support and commitment of the Giringun Traditional Owners, The Cardwell Shire Council, and TCI Engineering.

We use the fire,  
we use the rain.  
It's all about  
sustainable gain.

Caring for Country,  
as our old people say,  
this is the only way.

After the fire,  
then come the rain.  
Life is reborn  
to start again.

Take my hand,  
let's do it together,  
we'll have this great land  
forever and ever.
